# COURAGE TO LEAD

## COURSE DESCRIPTION

This course coaches participants on how to approach leadership not as a popularity contest, rather how to approach difficult times and situation and do the right thing. The course covers how to overcome fear in order to do what is right. This applies equally within a family, business, community, or in national and global leadership. The course covers courage as the catalyst for social and business entrepreneurship. The course will cover the 7 pathways to courage and success in leadership.

## OUTCOMES OF THE COURSE

**By the end of the course the participants will have mastered and developed:**

- A clear purpose and burning ambition
- Confidence, self-belief, self-reliance, and preparedness
- Action orientation and stamina in getting things done
- A foundation for lasting courage including cultivating a support base, learning fast and understanding the process of conquering fear.

## WHO SHOULD TAKE THIS COURSE?

- Business executives, managers and supervisors
- Community leaders
- Development practitioners
- Educators and facilitators
- Anyone interested

## TEACHING METHODS

Lectures and short exercises will be conducted through an online platform with the help of videos, power point presentations, and emails.

Workshops will be organised periodically for physical contact learning. In workshops skills and values will be imparted through individual and group work exercises.

There are no minimum **Academic Requirements.** Anyone interested can take this course.

# GENERAL LEARNING STRUCTURE
